Newsletter 4th September 2026

Welcome

Hello and welcome to the KS1 Hub.

We have had a lovely start to the new school year. It was fabulous to see the children all looking so smart in their new school uniforms and seeing their big smiley faces! The children have all settled well and enjoyed sharing their holiday adventures with both their peers and adults.

We started the week, by exploring the slight changes in our hub classroom and together discussed our new visual timetable. The children particularly enjoyed exploring and using our new and improved Hub café. The aim of our café is to encourage the children's independence as they develop skills in preparing their own snacks and drinks also by collecting the correct equipment and thinking carefully about portion size, likes and dislikes.

We have also spent time in our link classes getting to know our link teachers and making lots of new friends.

This week's class story.
