

Dragonflies 25.9.26

Another great week in dragonflies. We have been reading a story all about weather and Elmer. We have been following along using word mats and doing lots of activities related to the story. We have been trying out yoga and using the scooters and bikes. In cooking we made yummy pizza. Thank you to everyone who has sent in PE kit and waterproofs for outdoor learning please remember to send them in if your child hasn't got any in school.
