Starlings

Literacy

In literacy we have started reading our new story Alice in Wonderland and have been exploring a range of sensory props to guess the title of our story. We have also been writing a list or cutting and sticking items that Alice saw when she fell down the rabbit hole.

Numeracy

In Numeracy we have continued working on number and place value. We have been:

- ♦ Estimating on a number line to 50
- ♦ Understanding 11, 12, 13 or 14
- ♦ Finding and making 7

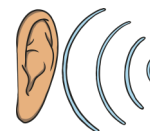

Zones of Regulation

This week we have been learning about the yellow zone and have been talking about what emotions we may feel. We used mirrors to show our excited, frustrated, silly and worried faces. We also listened to the story 'Today I Feel Silly & Other Moods that Make My Day' and used a range of resources to make silly faces.

Topic

In topic we have been using our ears to explore our sense of hearing and had lots of fun making a giant listening ear. We had lots of fun using our listening ear to listen to sounds we could hear around school. We also listened to information about ears and the role of each part.

Story Time

This week we have continued reading 'Out of the Blue' by Robert Tregoney.

This week we have been taking part in a Festivals and Celebration day and have been listening to The Creation Story. We also had lots of fun painting different images to represent what happened on each day.
