

Our week in Bumblebees 18.09.26

This week our lovely Bumblebees have been busy enjoying lots of positive interactions with the other children and the adults in class. Each Monday this half term we are being visited by a specialist music teacher and everybody enjoyed joining in with our first session in different ways with clapping, using instruments and dancing in a fantastic group.

This week at Outdoor School we were excited to see it is starting to get a bit muddy. please can all children bring a pair of named wellies which they can leave at school and if possible waterproofs. If you have any problems, please let us know as we do have spares but most children prefer their own.

We are hoping to begin sharing pictures using Tapestry from next week so please can we ask for any forms that haven't been returned yet to be sent in.

Have a great weekend, Mrs Shannon, Mrs Clarke and the Bumblebee team. xx
