Sparrow's Class News

The children have had a busy week in Sparrow's class! They have been excited about the beginning of Autumn! We have learnt the Makaton sign for Autumn, and we have talked about what changes we expect to see during this season. The children then enjoyed an Autumnal Scavenger hunt in Outdoor School. Where they searched for things they could see, hear, smell and touch.

Sparrow's have also enjoyed a very special music session with our guest music teacher this week. All of the children were so engaged in the session and it was thoroughly enjoyed by everyone.

We have continued reading Alice in Wonderland in Literacy! The children are really enjoying finding out what happens next in each lesson. This week we have been focusing on sentence writing, including questions and using the word 'and' to extend our sentences.

Next week at school will be our Recycling Week! We have planned lots of fun activities around recycling!

Have a wonderful weekend!
