Starlings

Literacy

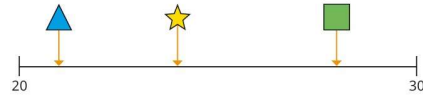

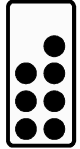

In literacy we have continued reading our story Alice in Wonderland. We have been making predictions about what we think is behind the small door. We were very excited to discover it was a special garden - Wonderland! We also had lots of fun drawing or cutting and sticking to design our own special garden.

Numeracy

In numeracy we have continued working on number and place value. We have been:

- Finding and making the number 7
- Understanding the number 14
- Estimating numbers on a number line to 50

Zones of Regulation

This week we have continued learning about the yellow zone. We remembered what emotions we may feel and talked about what our body may feel like when we are in the yellow zone. We also explored a range of tools that could help us to move from the yellow into the green zone.

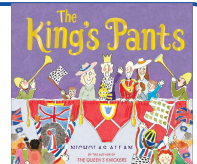

Topic

In topic this week we have continued exploring our sense of hearing and listened to information about the three main parts of the ear - ear canal, eardrum and cochlea. We also had lots of fun using our sense of hearing to play 'Guess the Sound' game.

Story Time

This week we have been reading 'The King's Pants' by Nicholas Allan.

Recycling Week

To celebrate recycling week we have listened to the story 'The Life of a Little Plastic Bottle' and learnt about what recycling is, why it is important and what items can be recycled. We sorted a range of reusable items by their material and reused them to create our own piece of recycled artwork.
