

Our week in Bumblebees 02.10.26

As part of our learning we are always looking for ways to enrich children's experiences and this week we have had the chance to take part in multi-sensory activities on the themes of democracy and recycling. Last week the children all enjoyed taking part in elections and especially enjoyed posting their votes in our special ballot box. This week as part of recycling week we have been sorting recycling in our own recycling station, helping clean the seas in water and messy play and shared a story about caring for the oceans. We have also had visits from music and yoga specialists this week and all had the chance to take part in these activities in class. Great work everybody!

Have a good weekend, Mrs Shannon, Mrs Clarke and the Bumblebee team. xx
