

Owl's

02.10.26

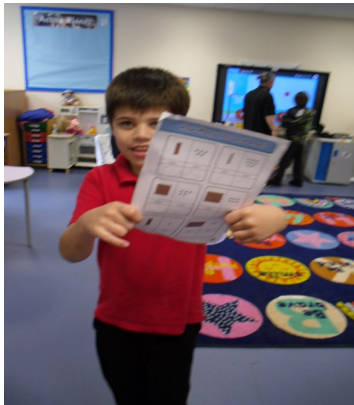

The children in Owl's class have had a fantastic week.

In numeracy, the children have continued on their topic based on place value. The class have been working on partitioning numbers up to 100. Some children have been working on question based puzzles with numbers up to 1000.

In literacy, the children have continued to read their text, 'The Street Beneath My Feet' by Charlotte Guillian and Yuval Zommer. This week, the children have been describing their journey to the centre of the earth and some children have created a mirror image of a fossil.

In topic, the children have been creating a volcano picture using paint. The class are creating a layer volcano by using a range of different colours.

The children really enjoyed their first swimming session. The children are really excited for their next lesson on Wednesday.

Have a great weekend!
