Sparrow's Class News

This week in Sparrow's Class the children have been getting creative as part of Recycling Week! We have linked this to our Literacy text 'Alice in Wonderland' and the children have built Rabbit's house and they have created Rabbit Portraits using recyclable materials.

In Outdoor School, the children searched for four different tree's and used paper and crayons make bark rubbings. Now we are in Autumn, it is beginning to get muddy in Outdoor School. If you haven't already, please could you send in Wellies for your child. Thank you.

As part of Recycling Week, our Story Time text has been Somebody Swallowed Stanley!

Have a wonderful weekend!
