

2.10.26

Literacy

We finished reading our story in Literacy this week. The children did an amazing job of recalling and ordering the events and describing different pictures from the story. We also did our 1st of the Month writing which is a piece of independent where the children practice their recall of Phonics and grammar. Robins did a great job of writing about their Recycling Week activities.

PSHE

This week we have been working on teamwork in PSHE. We discussed and agreed what makes someone a good team player. The children then worked in teams to complete challenges!

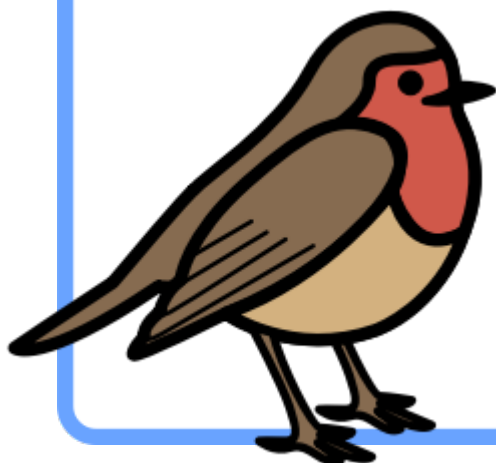

Recycling

week

We have been working hard this week on reducing, reusing, recycling and repurposing. The adults are so proud of all of Robins for being so sensible when we went litter picking in the local area. The children practiced their sewing skills to reuse teddies that needed fixing. They also repurposed old bottles into bird feeders, decorating them to bring home.

We will be continuing our litter picks in the future after the children had such a good time!

Reminders!

Please can all letters for the Gurdwara trip be returned to school ASAP

Year 6 Annual Reviews upcoming. If you need a reminder of the time and date of your review, please let us know

Mondays and Tuesdays: PE lesson and Shropshire Cricket lesson
