

09.10.26

In Ladybirds class this week, as part of our 'Senses' topic, we have been reading the story 'Big Brown Bear'.

Children have enjoyed this story through a range of sensory experiences, such as making muddy puddles and exploring sticks, leaves, stones, and flowers. Children also used word cards to create sentences about what the

bear was doing. In Outdoor School, children loved using mud to paint pictures. Our focus sound in Phonics this

week was 'b', so we have been sounding out words with 'b' and exploring alliteration and rhyming words. In PE this week, we have worked on balancing and children particularly enjoyed playing 'The floor is lava', where they

had to stand on benches to escape the lava. They also practised balancing beanbags on different body parts.

Reminders:

If your child has gone home in their PE kit due to needing a change of clothes, please could the PE kit be returned as soon as you are able to.

Please return parents evening slips with your preferred time. We look forward to welcoming you on 20th October.
