Starlings

Literacy

In literacy we have continued reading our story Alice in Wonderland and have been engaging in water play with range of items such as glitter and food colouring to make Alice a new 'Drink Me' drink. We have also read and followed instructions to make Alice's 'Eat Me' cupcakes.

Numeracy

In numeracy some of us have been working on 'Addition and Subtraction' and have been:

- Identifying parts and whole of a number
- Solving addition and subtraction sums within 20

Some of us have been working on 'Talk about Measure and Pattern' and have been:

- Sorting two sets of items into groups by size

Zones of Regulation

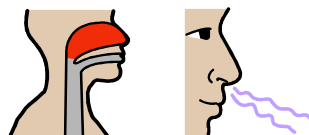

This week we have been learning about the red zone. We used the analogy of a volcano to help us talk about the feelings associated with the red zone and what our body may feel like. We also watched video clips of well known characters such as The Incredibles in the red zone.

Topic

In topic this week we have been exploring our sense of smell and have listened to information about the main parts of a nose. We also had lots of fun using only our sense of smell to guess a range of food items.

Story Time

This week we have been reading 'Oi Frog!' by Kes Gray.
