Meeting Individual Needs

Dear Parent/Carer

Proposed Sleepover at Haughton School – Children in Years 3 & 4

As part of our ongoing commitment to providing enriching and memorable experiences for our children, we are exploring the possibility of holding an overnight stay at school in the future for our children in Years 3 and 4.

Before making any plans, we would like to gauge parental interest and gather feedback. The proposed overnight experience would include a range of fun and social activities designed to help children develop independence, confidence and teamwork in a safe and familiar environment.

At this stage, we are simply seeking expressions of interest. There is no commitment required, and further information regarding dates, activities, staffing and arrangements would be shared if the event goes ahead. It is likely that children would be staying on a night that leads onto a non-school day, e.g. Friday to Saturday or mid-week, before a holiday.

Can you please complete the attached form and return it to school ASAP - Thank you.

Yours faithfully

Miss E Thomas
